2. *Purpose*

It is agreed by Tenant that the herein demised premises shall be utilized by Tenant for storing, repairing, maintaining and servicing aircraft belonging to, leased to or under the control of Tenant.

Tenant may also service aircraft owned by, leased to, or under control of Tenant with aviation fuel and lubricating oil, provided, that all laws and airport regulations dealing with use and operation of servicing tanks and trucks are complied with, and further provided that additional payment therefor is made in accordance with Section No. 4 of these Special Conditions.

3. *Term*

The term of this agreement shall be for a period of five (5) years commencing on January 1, 1976, and terminating on December 31, 1980. It is understood and agreed that notwithstanding the above term either party may cancel and terminate this agreement by serving ninety (90) days written notice of its election so to do.

4. *Rental*

Tenant shall pay to Landlord as rent for the demised premises the sum of Eighty-five Thousand Dollars ($85,000) per annum to be paid as follows:

Tenant shall pay to the City Comptroller, in advance, before the first day of each month, the sum of Seven Thousand One Hundred Dollars ($7,100), said sum representing one-twelfth of the aforesaid annual rental.

Any rental payable by Tenant hereunder which is not paid when due shall bear interest at the rate of seven per cent (7%) per annum from the due date thereof until paid. In addition to the foregoing, Tenant shall pay to the Landlord the sum of Three Cents (3c) per gallon for all aviation fuel serviced and the further sum of Ten Cents (10c) per gallon on all lubricating oil serviced.

Said additional rental is to be paid during each calendar month or portion thereof, for the term of this lease, on or before the 15th day of the following month, accompanied by a statement of the number of gallons of aviation fuel and lubricating oil serviced daily, the total gallons serviced during the preceding month, and the identity of the supplier from whom obtained.

Landing fees shall not be assessed for any landing of a ferry flight between Chicago Midway Airport and the other City owned Airports, or for any landing of an aircraft returning to the Airport from which it took off because of meteorological conditions, mechanical or operating causes, or any similar emergency or precautionary reason.

Article Two

Term of Lease

Section 2.1 The term of this Lease shall commence on April 14, 1975, at 12:01 A.M., and shall continue for a period of three (3) years thereafter. Provided Lessee is not then in default with respect to this Lease and has kept and performed all of its obligations hereunder. Lessee shall have the right and option to extend the term of this Lease for two (2) additional one year periods from and after the date of termination hereof of the initial three-year term. Should Lessee desire to exercise either such option, Lessee shall give written notice thereof to Lessor at least one hundred eighty (180) days prior to the expiration of the initial term or first additional one-year term of this Lease, whichever the case may be. In the event that Lessee shall fail to give such written notice within such period of time, said option to extend shall automatically expire and terminate. Rent shall be payable in lawful money of the United States to Lessor at the address stated herein or to such other persons or at such other places as Lessor may designate in writing.

Article Four

Rights of Ingress and Egress

Section 4.1 Subject to the reasonable rules and regulations as hereinafter set forth under Article Nine hereof, Lessee shall have the non-exclusive right and privilege over and through the Airport of ingress to and egress from the Demised Premises for its employees, agents, guests, patrons and invitees, suppliers of materials and furnishers of services.

Section 4.2 This Lease of the Demised Premises, and Lessee's rights hereunder, are subject to the rights of the City of Chicago, a governmental body that owns and operates the Airport (hereinafter called the "City") and to those of Lessor. Lessee's use and occupancy of the Demised Premises shall not interfere with or prevent the operation or maintenance of any utility line or utility facility, whether the same abuts upon or is wholly within the perimeter of the Demised Premises, and Lessor or the City shall have the right to enter the Demised Premises at all reasonable times to make repairs, new installments, replacements or alterations to such line or facility.

Article Five

Improvements and Alterations

Section 5.1 No improvements, additions or alterations shall be made in, to or upon the Demised Premises by Lessee without the written consent of Lessor being first had and obtained; and said improvements, additions or alterations shall be made, if consented to, subject to any conditions relating thereto as set forth by the City. Prior to the construction of any improvement, addition or alteration to the Demised Premises, Lessee shall submit to Lessor the preliminary plans for such improvements, additions or alterations which shall conform to the general architectural scheme as developed by the City and shall be in accord with the reasonable plans adopted by Lessor for its facilities.

Section 5.2 Upon approval of the preliminary plans by Lessor, Lessee shall prepare working drawings and specifications, which shall be substantially in accord with the preliminary plans so approved and shall cause the construction called for by said working drawings and specifications to be commenced and completed with reasonable dispatch. No substantial change, addition or altera-

tion shall be made in said working drawings or specifications or in the construction called for thereby without first obtaining the approval of the Lessor. Upon completion of any said improvement, addition or alteration to the Demised Premises, Lessee shall furnish to Lessor, at no charge, two complete sets of working drawings for the improvements as constructed.

Section 5.3 Any improvements, additions or alterations constructed by Lessee on the Demised Premises, including the plans and specifications therefor, shall conform in all respects to the applicable statutes, ordinances, building codes, rules and regulations of any governmental authority as may have jurisdiction thereover. Lessor's approval, given as provided in Section 5.2 of this Article, shall not constitute a representation or warranty as to such conformity, which shall remain Lessee's responsibility. Lessee, at its own cost and expense, shall procure all permits necessary for such construction. Lessee shall require in the contract or contracts let for such construction that the contractor shall also comply with all such applicable statutes, ordinances, codes, rules and regulations.

Section 5.4 All construction by Lessee pursuant to this Article shall be at Lessee's sole cost and expense. Lessee shall keep the Demised Premises free and clear of liens for labor and material and shall hold Lessor and the City harmless from any liability in respect thereto.

Section 5.5 Lessee shall make no structural alterations to the roof, walls or floors of the Demised Premises without first obtaining the Lessor's written consent. Nothing contained in this Article shall prevent Lessee from making a nonstructural alteration to the Demised Premises.

Section 5.6 Lessee shall give Lessor ten (10) days notice in writing of Lessee's intention to commence such construction for the purpose of permitting Lessor to post notices of non-responsibility.

Article Six

Repairs, Maintenance and Operation by Lessee

Section 6.1 Lessee shall, at its sole cost and expense, keep and maintain the Demised Premises and all improvements, additions or alterations thereto, equipment and landscaping constructed or installed by Lessee upon the Demised Premises, in first class condition, which condition shall at all times be based on a standard of care reflecting prudent property management, reasonable wear and tear excepted.

Section 6.2 Lessee shall at all times conduct its operations on the Demised Premises, in such manner, using all available and practical devices to reduce to a reasonable minimum, considering the nature and extent of Lessee's operations, the emanation from the Demised Premises of noise, vibration, movement of air, fumes and odors, so as not to interfere unreasonably with the use of other premises adjoining the Demised Premises or elsewhere at the Airport. Lessee shall at all times conduct its operations at the Demised Premises in accordance with the then current regulations of the United States Environmental Protection Agency, and of other applicable federal, state and municipal authorities.

Section 6.3 In the event that Lessee fails to perform, for a period of fifteen (15) days after receipt of written notice from Lessor so to do, any obligation required by this Article Six to be performed by Lessee at Lessee's cost, Lessor, upon the expiration of such fifteen (15) day period may, but shall not be obligated to, enter upon the Demised Premises and perform such obligation of Lessee, charging the Lessee the reasonable cost and expense thereof as additional rent, and Lessee agrees to pay Lessor such additional rent on or before the first day of the month following the incurring of such cost and expense; provided, however, that if Lessee's failure to perform any such obligation adversely affects or endangers the health or safety of the public or of any employee at the Airport, and if Lessor so states in its aforesaid notice to Lessee, Lessor may, but shall not be obligated to, perform such obligation of Lessee at any time after the giving of such notice and without awaiting the expiration of said fifteen (15) day period, and charge to Lessee, as additional rent, and Lessee shall pay, as additional rent, as aforesaid, the reasonable cost and expense of such performance. It is further agreed that if Lessor shall perform any of Lessee's obligations in accordance with the provisions of this Article Six, Lessor shall not be liable to Lessee for any loss, cost or expense to Lessee resulting from such performance.

Article Seven

Insurance

Section 7.1 Lessee shall procure, at its expense, or upon its failure so to do, Lessor may, at the expense of Lessee, obtain and keep in effect, at all times during the term or any extended term of this Lease, the following forms of insurance, issued by a company or companies of sound and adequate financial responsibility, satisfactory to Lessor, insuring Lessee, Lessor, and the City against all liability arising out of or in connection with Lessee's use and occupancy of and operations at the Demised Premises, Lessor's premises or the Airport, to wit:

(a) Comprehensive general liability insurance with a combined single limit of not less than Five Million Dollars ($5,000,000.00) per occurrence.

(b) During the course of any construction of any improvements, additions or alterations to the Demised Premises pursuant to Article Five hereof, Lessee shall obtain and keep in force a policy of builder's risk insurance in an amount sufficient to cover the cost of repair or replacement of such improvement, addition or alteration.

Section 7.2 Lessor and Lessee hereto agree to waive their rights of subrogation against each other, and each, in turn, against the City, and will have all policies of insurance on the Demised Premises amended accordingly.

Section 7.3 Lessee agrees to deliver to Lessor certificates evidencing the existence of the policies of insurance as herein required. The policies of insurance shall also contain a provision requiring the issuer to notify Lessor, by at least thirty (30) days written notice, of any reduction in the face amount of said policies or adverse amendments to the risk covered. In no event shall such reduction or amendments be effective as to Lessor until thirty (30) days following the date of said written notice to Lessor.

Section 7.4 Any amount paid by Lessor in its exercise of its option to insure should Lessee neglect or fail to provide the insurance required hereunder shall become immediately due and payable, together with interest thereon at the rate of ten percent (10%) per annum, not to exceed the lawful maximum under the laws of the State of Illinois, from the date of payment by Lessor.

Article Eight

Damage

Section 8.1 In the event of damage to the Demised Premises by fire or other casualty, Lessee shall give prompt notice thereof to Lessor, and this Lease shall remain unaffected and there shall be no abatement or diminution of the fixed rent or additional rent payable hereunder, except as hereinafter provided.

Section 8.2 In the event of damage to the Demised Premises by fire or other casualty, Lessor shall with reasonable dispatch cause the Demised Premises to be repaired and/or reconstructed to a condition as nearly as possible the same as obtained prior to the casualty; and if the damage has rendered the Demised Premises untenantable, in whole or in part, and if such damage did not occur as a result of Lessee's own negligence, there shall be an apportionment of the fixed rent until the damage shall have been repaired. In considering what constitutes reasonable dispatch, consideration shall be given to delays caused by strikes, adjustments of insurance or other causes beyond Lessor's control.

Section 8.3 Lessor shall not be responsible at any time or in any event for any latent defect, deterioration or change in the condition of the Demised Premises, nor for damage to the Demised Premises or any property contained therein, nor for injury to any person, whether caused by or resulting from falling plaster, dampness, any overflow or leakage upon or into the Demised Premises of water, rain, snow, steam, gas or electricity, or by any breakage in pipes, appliances or plumbing, or by breakage, leakage or obstruction of soil pipes, nor for loss of property by theft or because entrusted to employees of Lessor or the City, nor for interferences with light or other incorporeal hereditaments.

Article Nine

Rules and Regulations

(a) Any and all applicable rules, regulations, orders and restrictions, which are now in force or which may hereafter be adopted by the City in respect to the operation of the Airport; and

(b) Any and all applicable provisions of one certain Cargo Building and Site Lease, dated the 1st day of January, 1959, as amended, by and between the City and Lessor (hereinafter called the "Ground Lease"); and

(d) Any and all reasonable rules and regulations which are now in force or which may hereafter be adopted by Lessor for regulation of the Lessor's premises of which the Demised Premises are but a part.

Section 9.2 Lessor shall not be liable to Lessee for any dimunition or deprivation of possession or of Lessee's rights hereunder on account of the exercise of any authority as in this Article provided; nor shall Lessee be entitled to terminate the whole or any portion of the leasehold estate herein created by reason thereof, unless the exercise of such authority shall so interfere with Lessee's use and occupancy of the Demised Premises as to constitute an eviction or a constructive eviction by operation of law in accordance with the laws of the State of Illinois.

Section 9.3 Lessee hereby agrees and warrants that in the performance of this Agreement it will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, sex, age, religion or national origin in any manner prohibited by the rules, regulations, orders or laws of the United States or the State of Illinois, or any agency or regulatory authority thereof.

Article Ten

Assignments and Subleases

Section 10.1 Lessee shall not assign the leasehold hereby created, nor sublet or sublease the Demised Premises or any part thereof, in whole or in part, without the prior written consent of Lessor and City.

Section 10.2 The interest of Lessee under this Lease shall not, except at Lessor's and City's option and written consent, be assignable by operation of law. In case of bankruptcy of Lessee or of the appointment of a receiver for Lessee, or if a receiver be appointed to take possession of the Demised Premises as a result of any act or omission of Lessee, or if Lessee makes an assignment of this Lease for the benefit of creditors, or if possession of the Demised Premises shall be taken by virtue of any attachment, execution or the levy of any judicial process, any person taking such possession pursuant to any such proceeding or process shall not acquire any right, title or interest in or to this Lease, the leasehold, or the Demised Premises, or the rights granted herein without first securing the written consent of Lessor and City.

Section 10.3 Notwithstanding anything to the contrary in this Lease provided, Lessee may sublet the whole or any portion of the Demised Premises to any parent, subsidiary or affiliated corporation of Lessee now existing or hereafter coming into existence or to any corporation succeeding to all or substantially all of the assets of Lessee by merger or consolidation. In the event of any such subletting, the sublessee shall expressly assume and agree in writing to observe and be bound by all of the terms, covenants and conditions of this Lease which are provided to be kept, observed and performed by Lessee hereunder. Upon the execution of such assumption agreement by such sublessee, the Lessee hereunder shall be released from any and all liability under the terms and provisions of this Lease. Any such subletting, other than as in this subparagraph provided, whether voluntary or involuntary, shall be wholly null and void at the option of Lessor and City. A consent to one subletting or use by another person shall not be deemed to be a consent by Lessor or City to any subsequent subletting or use by another person.

Article Eleven

Encumbrances and Mortgages

Section 11.1 Lessee shall not have the right to encumber in any way all or any part or parts of the leasehold estate hereby created or any of the improvements, additions or repairs made to the Demised Premises by assignment, hypothecation, mortgage, pledge, deed of trust or any other instrument given to or for the benefit of any bank, financing institution or to or for the benefit of any contractor, or other third party.

Article Twelve

Defaults and Right to Terminate

Section 12.1 Lessor may cancel this Lease by giving Lessee thirty (30) days advance written notice to be served as hereinafter provided, upon or after the happening of any one of the following events:

(a) The filing by Lessee of a voluntary petition in bankruptcy.

(b) The institution of proceedings in bankruptcy against Lessee and the adjudication of Lessee as a bankrupt pursuant to such proceedings if such adjudication shall remain unvacated or unstayed for a period of at least thirty (30) days.

(c) The taking by a court of competent jurisdiction of Lessee and its assets pursuant to proceedings brought under the provisions of any federal reorganization act if the judgment of such court shall remain unvacated or unstayed for a period of at least thirty (30) days.

(d) The appointment of a receiver of Lessee's assets if such appointment by a court of competent jurisdiction shall remain unvacated or unstayed for a period of at least thirty (30) days.

(e) The divestiture of Lessee's estate herein by other operation of law.

(f) The abandonment by Lessee of its conduct of business at the Airport.

Section 12.2 Lessor may cancel this Agreement by giving Lessee twenty (20) days advance written notice to be served as hereinafter provided upon or after a failure of Lessee to pay the rent pursuant to Article Three, or any part thereof, for a period of ten (10) days after demand therefor.

Section 12.3 Except as stated in Section 6.3, the default by Lessee in the performance of any covenant or agreement herein required to be performed by Lessee, and the failure of Lessee to remedy such default for a period of thirty (30) days after receipt from Lessor of written notice to remedy same, shall at Lessor's option, cancel and terminate this Lease.

Section 12.4 If, however, any default is of such nature that it cannot be physically remedied within thirty (30) days and if the party in default shall have commenced the elimination of such default promptly after the receipt of such notice, and shall continuously and diligently proceed in good faith to eliminate such default, then the period for correction shall be extended for such length of time as is reasonably necessary to complete such correction.

Section 12.5 In the event that the Lessee shall be prevented from occupying or using the Demised Premises or shall be prevented from conducting or operating its business on the Demised Premises by any final action, order or ruling of the Civil Aeronautics Board, any final court order, or any other federal, state or local authority, then Lessee may, at its option, cancel this Lease by written notice to Lessor and said Lease shall be and become cancelled and terminated thirty (30) days after the receipt thereof.

Section 12.6 In the event of the termination for any reason of either the Ground Lease or of one certain Ground Handling Agreement, dated the 14th day of April, 1975, by and between Lessor and Lessee, this Lease shall automatically terminate concurrently therewith.

Article Thirteen

Right of Re-Entry and Reletting

Section 13.1 In the event of any breach of the terms, covenants and conditions of this Lease, or abandonment of the Demised Premises by Lessee, then Lessor, besides other rights or remedies he may have, shall have the immediate right of re-entry, and may remove all persons and property from the Demised Premises; such property may be removed and stored in a public warehouse or elsewhere at the cost of, and for the account of, Lessee.

Section 13.2 Should Lessor elect to re-enter, as herein provided, or should he take possession pursuant to legal proceedings, or pursuant to any notice provided for by law, he may terminate this Lease, relet said Premises, or any part thereof, for such term or terms, which may extend beyond the term of this Lease, and at such rental or rentals, and on such other terms and conditions, as Lessor in his sole discretion may deem advisable, with the right to make alterations and repairs to said Premises.

Section 13.3 Should Lessor, in the event of Lessee's breach of the Lease, or abandonment of the Demised Premises, elect to relet said Premises without terminating this Lease, rentals received by him from such reletting shall be applied: first, to the payment of any indebtedness, other than rent, due hereunder from Lessee to Lessor; second, to the payment of costs and expenses, if any of such reletting and of any alterations or repairs required therefor; third, to the payment of rent due and unpaid hereunder; and the residue, if any, shall be held by Lessor and applied in payment of future rent as the same may become due and payable hereunder. Should such rentals received from such reletting during any month be less than that agreed to be paid during that month by Lessee hereunder, then Lessee shall pay such deficiency to Lessor. Such deficiency shall be calculated and paid monthly. Lessee shall also pay to Lessor, as soon as ascertained, the costs and expenses, including attorney's fees and real estate commissions, if any, incurred by Lessor in such reletting.

Section 13.4 No such re-entry or taking possession of the Demised Premises by Lessor shall be construed as an election on his part to terminate this Lease unless a written notice of such intention be given to Lessee, or unless the termination thereof be decreed by a court of competent jurisdiction.

Section 13.5 Notwithstanding any such reletting without termination, Lessor may at any time thereafter elect to terminate this Lease for such previous breach. Should Lessor at any time terminate this Lease for any breach, in addition to any other remedy he may have, he may recover from Lessee all damages he may incur by reason of such breach, including the cost of recovering the Premises, and including the worth at the time of such termination of the excess, if any, of the amount of rent and charges equivalent to rent reserved in this Lease for the remainder of the stated term over the then reasonable rental value of the Premises for the remainder of the stated term, all of which amounts shall be immediately due and payable by Lessee to Lessor.

Lessee shall have the right any time during the term or any extended term of this Lease, to remove any or all of its equipment, trade fixtures and personal property other than capital improvements, provided Lessee is not in default in its payments to Lessor hereunder, and subject further to Lessee's obligation to repair all damage, if any, reasonable wear and tear excepted, resulting from such removal. Lessee agrees to remove its equipment, trade fixtures and personal property at the expiration or other termination of this Lease. Upon the failure of Lessee to remove any of such equipment, trade fixtures or personal property within thirty (30) days after the expiration or other termination of this Lease, Lessor shall have the right to remove the same and charge to Lessee the actual cost of such removal and restoration. Any such equipment, trade fixtures or personal property not removed by Lessee at the expiration or other termination of this Lease shall thereupon become the property of the Lessor.

Section 18.2 Title to any capital improvements constructed or installed by Lessee upon the Demised Premises shall remain the property of Lessor upon the termination of this Lease; provided, however, that equipment, trade fixtures, or personal property installed by Lessee shall remain the property of Lessee unless the same is considered a capital improvement under Illinois law, in which case title thereto shall be vested in Lessor.

Article Nineteen

In such event, title to all capital improvements on the Demised Premises constructed or installed by Lessee pursuant to Article Five of this Lease shall vest in Lessor.

In the event any action is brought by Lessor to recover any due rent and unpaid balance hereunder, or to recover possession of the Demised Premises, or in the event any action is brought by Lessor or Lessee to enforce or for the breach of any of the terms, covenants or conditions contained in this Lease, the prevailing party shall be entitled to recover reasonable attorneys' fees to be fixed by the court together with costs of suit therein incurred.

Section 24.10 Nothing contained in this Lease shall be deemed or construed by the parties, or by any third person, to create the relationship of principal and agent or of partnership or of joint venture, or of any association between Lessor and Lessee, and neither the method of computation of rent, nor any other provisions contained in this Lease, nor any acts of the parties, shall be deemed to create any relationship between Lessor and Lessee, other than the relationship of landlord and tenant.

Section 24.11 This Lease and the annexes attached hereto contain the entire agreement of the parties hereto with respect to the matters covered thereby, and no other agreements, statements or promises made by any party hereto, or any employee, officer or agent thereof, which is not contained herein, shall be binding or valid.

5. The Grantor reserves to itself, its grantees (other than the Grantee named in this indenture), licenses, lessees, successors and assigns, the right not only to continue to keep and use or operate all tracks and other facilities or structures now upon or beneath the surface of, or above, the said described premises, but also the right to install and use or operate additional tracks, facilities and structures upon and beneath the surface of and above the said described premises. The Grantee shall also assume and pay all expense incurred by the Grantor incident to, or as a result of, the exercise of this grant.

7. Neither the Grantor nor its property shall be subjected to any charge, assessment, or expense, arising from, growing out of, or in any way attributable to, the construction, maintenance, use or operation of the structure, whether within or without the confines of Grantor's property. If the Grantor or its property is legally subjected to any such charge, assessment, or expense, the Grantee shall pay Grantor, as additional compensation for the rights granted in this indenture, an amount of money equal to any such charge, assessment or expense paid by the Grantor.

8. The Grantor does not warrant title to the said described premises in which the foregoing easement is granted and does not undertake to defend the Grantee in the peaceable enjoyment thereof, but the grant of easement aforesaid shall be subject to the continuing lien of all lawful outstanding existing liens and superior rights, if any, in and to said premises.

The Grantor may furnish each contractor, at such contractor's sole cost and expense, protective services and devices, including, but not limited to, switchtenders, flagmen, or watchmen as the Grantor may deem desirable for the safety and continuity of railroad traffic during the work. Each contractor shall be required by the Grantee to reimburse the Grantor promptly upon receipt of bill for such protective service and devices furnished to the contractor.

The Grantee shall withhold final payment to its contractor or contractors until the Grantor has notified the Grantee that all such bills have been settled. The Grantee shall reimburse the Grantor upon receipt of bills for any work performed for the Grantee by the Grantor.

Cost and expense for work performed by Grantor, as referred to in this indenture, shall consist of the direct cost of labor plus a 125% overhead charge and the direct cost of material plus a 35% overhead charge.

The Railroad Protective policy and all insurance certificates shall be subject to the Grantor's approval before any work may be started on the Grantor's property by any contractor.

11. If the public use of the easement on the premises described in this indenture for the purposes expressed in it shall be abandoned or discontinued, or if the Grantee violates any provision of this indenture, the said easement shall thereupon cease and determine, and the Grantee shall surrender or cause to be surrendered to the Grantor, or its successors or assigns, the peaceable possession of the said described premises, and title to the said premises shall remain in the Grantor, or its successors or assigns, free and clear of all rights and claims of the Grantee and of the public for use and occupancy of the said premises. At the election of Railroad Company, the Licensee, upon receipt of notice to that effect, shall assume or join in the defense of any claim based upon allegations purporting to bring said claim within the coverage of this section.

4. Upon cessation of the use as herein contemplated of said pipe line, or any part thereof, Licensee will notify Railroad Company thereof and, unless the parties otherwise then agree, Licensee will remove the same and restore Railroad Company's affected premises in a manner satisfactory to Railroad Company. If Licensee fails so to remove and restore within thirty (30) days after receipt of written notice from Railroad Company so to do, Railroad Company may do such work at the expense of Licensee.

These agreements are prepared and entered into between the said railroad identities and the said Department of Water and Sewers, to permit the installation of a 12-inch water main in S. Hamlin Avenue extended, as indicated on the situation sketch marked "Exhibit A" of the agreement documents. The proposed 12-inch water main will provide domestic and fire protection service for the Fuel Processing Plant being erected at S. Hamlin Avenue and W. 34th Street by the Department of Streets and Sanitation.

The rights of accesses, occupation and maintenance are substantially as follows:

This Agreement, made in duplicate this ..... day of ....., 19...., between Illinois Central Gulf Railroad Company, party of the first part, hereinafter called the Railroad Company, and City of Chicago, Illinois Department of Water and Sewers, City Hall, Chicago, Illinois 60602 party or parties of the second part, hereinafter called the Licensee,

WITNESSETH:

In consideration of the sum of Three Hundred Fifty Dollars ($350.00) in hand paid by the Licensee to the Railroad Company, the receipt whereof is hereby acknowledged, and the faithful performance by the Licensee of the covenants herein contained, the Railroad Company, insofar as it lawfully may, hereby grants to the Licensee a permanent license and permission to construct and maintain a 12-inch water pipe line (whether one or more pipes hereinafter referred to as the "pipe line") across and underneath the waylands and tracks of the Railroad Company at Mile Post W 7 plus 1,797 feet opposite S. Hamlin Avenue, Chicago, Illinois, said pipe line being more particularly shown upon the exhibits hereto attached and made a part hereof, subject to the following conditions and specifications:

1. Said pipe line shall be placed at least 5 feet below the tracks of the Railroad Company, measured from the bottom of the ties, and shall be constructed and maintained of such materials as shall be satisfactory to the Railroad Company's Chief Engineer, and the work of laying and constructing the same, including maintenance thereof, and restoring the surface of the Railroad Company's waylands, shall be done under the general supervision of and at such time or times as shall be satisfactory to and meet with the approval of the Railroad Company's Superintendent having jurisdiction over the waylands and tracks of the Railroad Company at the point aforesaid. Should the Railroad Company incur any expense for flagging protection or supporting its tracks or facilities, or otherwise, by reason of this license, Licensee hereby agrees to reimburse the Railroad Company therefor.

2. Cost and expense for work performed by Railroad Company, as referred to in this agreement, shall consist of the direct cost of labor plus a 125% overhead charge and the direct cost of material plus a 35% overhead charge.

3. Licensee, as a further consideration and as a condition, without which this license would not have been granted, agrees to indemnify and save harmless Railroad Company, its officers, employees and agents and to assume all risk, responsibility and liability for death of, or injury to, any persons, including, but not limited to, officers, employees, agents, patrons and licensees of the parties hereto, and for loss, damage or injury to any property, including, but not limited to, that belonging to the parties hereto (together with all liability for any expenses, attorneys' fees and costs incurred or sustained by the Railroad Company) arising from, growing out of, or in any manner or degree directly or indirectly caused by, attributable to, or resulting from the grant or exercise of this license or the construction, maintenance, repair, renewal, alteration, change, relocation, existence, presence, use, operation or removal of any structure incident thereto, or from any activity conducted on or occurrence originating on the area covered by the license unless due to sole negligence of Railroad Company, its officers, employees and agents. Licensee agrees also to release and indemnify and save harmless Railroad Company, its officers, employees and agents from all liability to Licensee, its officers, employees, agents, patrons or invitees, resulting from railroad operations at or near the area in which the license is granted unless the death, injury or damage resulting therefrom may be due solely to the negligence of the Railroad Company, its officers, employees or agents. At the election of Railroad Company, the Licensee, upon receipt of notice to that effect, shall assume or join in the defense of any claim based upon allegations purporting to bring said claim within the coverage of this section.

4. Upon cessation of the use as herein contemplated of said pipe line, or any part thereof, Licensee will notify Railroad Company thereof and, unless the parties otherwise then agree, Licensee will remove the same and restore Railroad Company's affected premises in a manner satisfactory to Railroad Company. If Licensee fails so to remove and restore within thirty (30) days after receipt of written notice from Railroad Company so to do, Railroad Company may do such work at the expense of Licensee.

5. Any approval given or supervision exercised by Railroad Company hereunder, or failure of Railroad Company to object to any work done, material used or method of construction, reconstruction or maintenance, shall not be construed as an admission of responsibility by Railroad Company or as a waiver of any of the obligations of Licensee under this agreement.

6. This agreement shall be binding on the successors and assigns of the parties hereto, but no assignment hereof by the Licensee, its successors, legal representatives or assigns, shall be binding upon the Railroad Company in each instance, without its written consent.

In Witness Whereof the "Illinois Central Gulf Railroad Company" has caused these present to be executed in its name, by its Vice President and Chief Engineer, and the "City of Chicago" has caused these present to be executed in its name by its Commissioner of the Department of Water and Sewers, the Deputy Commissioner and Civil Engineer for the Water Distribution Division, the day and year above first written.

STANDARD TERMS AND PROVISIONS

1. *Prohibited Uses.* The Lessee shall not use or permit the use of the premises or any part thereof for any purpose or purposes other than those set forth herein. Lessee shall not commit or suffer to be committed any waste in or upon the premises or maintain any public or private nuisance or any other action which may interfere with or disturb the quiet enjoyment of any other tenant of the building or buildings of which the premises forms a part (hereinafter referred to as "Buildings") nor without limiting the generality of the foregoing, shall the Lessee use or permit the use of the premises for any improper, immoral or unlawful purposes. Nothing contained in this Section 1 shall, however, prohibit or limit Lessee's right to use any apparatus, machinery, equipment or devices necessary or useful to Lessee in the conduct of its business on, in and about the premises.

2. *Compliance with Laws.* The Lessee at its expense shall execute and comply with all laws and ordinance and/or rules, orders and regulations of all Government authorities and of all insurance bodies at any time duly issued or enforced which are applicable to the conduct of Lessee's business in, on or about the premises or any part thereof; provided, however, that Lessee shall not hereby be under any obligation to execute and comply with any law, order, rule, ordinance or regulation requiring any structural change in or alteration of or in connection with the premises.

In the event a forfeiture of Lessor's estate is not involved, Lessee may, at its sole expense, contest the enforcement of any such laws, ordinances and/or rules, orders or regulations; provided that Lessee shall indemnify Lessor against any loss or penalty, including costs and expenses incident thereto, suffered by Lessor as a result thereof.

3. *Alterations.* Lessee shall make no changes, alterations, additions or improvements, or do any work in connection therewith in, on or about the premises without the prior written consent of the Lessor.

4. *Entry and Inspection.* Lessor shall have the right to enter upon and inspect the premises from time to time during the term hereof and, upon reasonable notice to Lessee, to make any repairs deemed necessary by the Lessor without abatement of rent; provided, however, that Lessor shall not, during the course of any such inspection or repairs, unreasonably interfere with the Lessee's use and enjoyment of the premises.

During the last thirty (30) days of the term hereof Lessor shall have the right to exhibit the premises and to place "To Let" signs in, on and about the premises.

5. *Services Furnished by Lessor.* The Lessor shall furnish adequate water, heat and electricity for lighting purposes. In addition, the Lessor shall furnish elevator and other Building services to Lessee, its employees and invitees to the extent that elevator and such other Building services are available to other tenants of the Building and are a necessary or desirable incident to Lessee's use and enjoyment of the premises.

Lessor assumes no liability to Lessee for failures or interruptions of any and all services or utilities furnished to Lessee hereunder when due to causes beyond the control of Lessor including but not limited to floods, fire and power failures.

6. *Care of Premises by Lessee.* Lessee shall keep the premises in a safe, neat, clean and presentable condition at all times and promptly repair any damage occasioned by Lessee, its agents, servants, employees or invitees.

7. *Care by Lessor.* Lessor shall keep the Building in a safe, neat, clean and presentable condition, making all structural repairs thereto and performing all maintenance thereof required to keep the premises in a tenantable condition.

8. *Indemnity.* Lessee shall indemnify the Lessor from and against any and all claims, demands, causes of action, suits or judgments (including costs and expenses incurred in connection therewith) for deaths or injuries to persons or for loss of or damage to property arising out of or in connection with the use and occupancy of the premises by Lessee, its agents, servants, employees or invitees and not caused by Lessor's negligence. In the event of any claims made or suits filed, Lessor shall give Lessee prompt written notice thereof and Lessee shall have the right to defend or settle the same to the extent of its interest hereunder.

9. *Abandonment.* Lessee shall not vacate or abandon the premises at any time during the term hereof, and if the Lessee shall so vacate or abandon, any property of the Lessee left on the premises shall be deemed to have been abandoned and may either be retained by the Lessor as its property or may be disposed of at public or private sale as the Lessor sees fit. If any such property of the Lessee or any part thereof is sold at public or private sale or retained by the Lessor, the proceeds of any such sale or the then current fair market value of the property, as the case may be, shall be applied by Lessor against Lessor's expenses of removal, storage or sale, the arrears of rent or future rent payable hereunder and any other damages to which the Lessor may be entitled hereunder.

10. *Bankruptcy of Lessee.* In the event Lessee shall file a voluntary petition in bankruptcy, make assignment for the benefit of creditors of all or substantially all of its assets, or fail to secure dismissal of an involuntary petition in bankruptcy within sixty (60) days after the filing thereof, then Lessor may terminate this lease upon five (5) days' written notice to Lessee.

11. *Default of Lessee.* If the Lessee shall refuse, neglect or fail to perform, observe and keep any of the covenants, agreements, terms or conditions contained herein on its part to be performed, observed and kept and such refusal, neglect or failure shall continue for a period of thirty (30) days after written notice to Lessee by Lessor thereof (except in the case of non-payment of rent wherein if such failure, neglect or refusal shall continue for a period of five (5) days after written notice to Lessee from Lessor), then Lessor may enter into and upon the said premises and repossess the same as of the former estate of the Lessor and expel the Lessee and those claiming under and through it and remove Lessee's effects (forcibly if necessary) without being deemed guilty of trespass and without prejudice to any and all rights and remedies for arrears of rent or breach of covenant. Upon entry as aforesaid, this lease shall terminate; provided, however, that Lessee shall remain liable to Lessor for damages suffered by Lessor including, but not limited to, unavoidable loss of rent for the remainder of the term incurred as a result of such termination.

Lessor's waiver of any default or breach by Lessee hereunder, including acceptance of rent, shall not be deemed a waiver by Lessor of any subsequent default or breach by Lessee hereunder.

12. *Default of Lessor.* If the Lessor shall refuse, neglect or fail to perform or observe any of the covenants, agreements, terms or conditions contained herein on its part to be performed, observed and kept for a period of thirty (30) days after written notice to Lessor by Lessee, then Lessee may terminate this lease and vacate the premises without further liability to Lessor for rent hereunder; provided, however, that Lessor shall remain liable to Lessee for damages suffered by Lessee as a result thereof.

Lessee's waiver of any default or breach by Lessor hereunder shall not be deemed a waiver by Lessee of any subsequent default or breach by Lessor hereunder.

13. *Assignment, Encumbrances and Subletting.* Lessee shall not assign, pledge, mortgage or otherwise encumber this lease or the premises covered thereby. Lessee shall not sublet the premises or any part thereof without the prior written consent of the Lessor first had and obtained.

It is understood that consent of the Lessor to any subletting in one instance shall not constitute consent of the Lessor to any other subletting.

14. *Holding Over.* If the Lessee continues in possession of the premises after the term of this lease has expired, Lessee shall, at the option of Lessor, become a tenant from month to month under and upon the covenants, agreements, terms and conditions herein set forth. Any such holdover tenancy may be terminated by either Lessor or Lessee upon the giving of not less than thirty (30) days' prior written notice of intention to terminate from one party to the other party hereunder.

15. *Surrender of Premises.* Upon termination of this lease by lapse of time or otherwise, Lessee shall remove itself and all trade fixtures, furnishings, property, equipment or machinery installed or placed by Lessee in and upon said premises; provided, that Lessee shall, at its own expense, repair any damage occasioned by such removal. Lessee shall upon termination of this lease surrender the premises to Lessor in the same condition as received (except for alterations, changes, or additions consented to by Lessor), ordinary wear and tear, loss, damage, or destruction by earthquake, flood, fire, riots, insurrection, the public enemy, the elements, acts of God or other conditions or causes above and beyond the control of Lessee being excepted.

16. *Rules and Regulations.* Lessee shall faithfully observe and comply with reasonable rules and regulations of the Lessor, not inconsistent with the provisions of this lease, promulgated hereunder and communicated in writing to Lessee, necessary for the reputation, safety, care or appearance of the Building, or the preservation of good order, the operation or maintenance of equipment or the comfort of other tenants therein.

17. *Successors.* The terms, covenants, agreements and conditions herein contained shall apply to and be binding upon the heirs, successors, executors, administrators and assigns of the parties hereto, provided, however, that this provision shall not in any way affect the requirements set forth in Section 13 hereof.

18. *Damage or Destruction of Premises.* If the premises or the Building shall be so damaged or destroyed by fire, flood, earthquake, the elements, casualty, war, riot, public disorder, acts authorized or unauthorized on the part of the Government or any other cause or happening so as to render the premises untenantable, this lease shall terminate and any unearned rent paid in advance shall be refunded to Lessee.

In the event of partial damage or destruction of the premises or the Building, the same shall be promptly restored by Lessor to their previous condition and a just portion of the rent, to the extent, if any, that the premises have been rendered untenantable, shall abate until the premises or the Building have been so restored. Lessor may elect by notice in writing to Lessee, within thirty (30) days of such partial damage or destruction, to restore the premises or the Building and if the Lessor fails to make such election, or having done so, fails to effect restoration within a reasonable time, Lessee may cancel and terminate this lease upon not less than five (5) days' written notice to Lessor.

19. *Signs.* Lessee shall not erect, install or place any signs on or about the demised premises without Lessor's prior written approval.

20. *Ingress and Egress.* Lessee, its employees, visitors and suppliers of material and services shall have full and free rights of ingress and egress to and from the premises and to and from the Building subject to rules and regulations of the Lessor as herein provided.

21. *Notices.* All notices given or required herein shall be deemed sufficient if sent United States mail, postage prepaid, to the addresses of the Lessor and the Lessee specified in this lease, unless either party hereto shall specify to the other party a different address for the giving of such notice.

22. *Endorsements to Supersede.* In the event of a conflict between any Endorsement and other provisions of this lease, it is understood and agreed that the Endorsement shall supersede and control.

23. *Quiet Enjoyment.* So long as Lessee performs and observes all of the covenants, agreements, terms and conditions hereof on the part of Lessee to be performed and observed, Lessor covenants that Lessee shall peacefully have and enjoy the premises without hindrance or molestation by Lessor or those claiming under it or by any other person lawfully claiming the same.

ENDORSEMENT No. 1

Miscellaneous Provisions

1. It is expressly agreed and understood that the following enumerated sections set forth in the Standard Terms and Provisions of this agreement are hereby deleted and canceled in their entirety:

5. *Services Furnished by Lessor*

7. *Care by Lessor*

2. Lessee hereunder shall have the right to its proportionate share of the use of the loading docks adjacent to the leased premises on the same basis as granted to Lessor herein under the terms of Lessor's basic lease of said premises with the City of Chicago dated January 1, 1959.

3. This lease, being a sublease, is subject to all the terms and conditions of the basic lease between United Air Lines, Inc. (as assumed from Capital Airlines, Inc., effective June 1, 1961) and the City of Chicago, dated January 1, 1959; and in the event said basic lease is terminated, this lease shall terminate concurrently therewith.

4. Lessee shall not be liable for any taxes or special assessments which may be levied or assessed upon the premises leased hereunder; provided, however, that the foregoing shall not apply to taxes on any personal property or leasehold or Lessee located on such premises. With respect to leasehold taxes, Lessee shall also pay its proportionate share of any leasehold tax that may be levied against Lessor under the basic lease of said premises dated January 1, 1959. Lessee shall have the right to, in good faith, contest the amount of assessment or imposition of any such taxes with the public taxing authority involved, provided Lessee indemnifies Lessor from any loss in so doing.

5. Lessee shall pay the current landing fees in effect at Chicago-O'Hare International Airport, or at Chicago Midway Airport, or Merrill C. Meigs Field whenever it is necessary for Lessee's aircraft to be diverted to either of the latter.

Said payment is to be computed on landing fees, but not parking fees, then in effect as outlined in Chapter 37 of the Municipal Code of the City of Chicago.

Lessee agrees that it shall keep and maintain records of all landings made at Chicago-O'Hare International Airport, Chicago Midway Airport and Merrill C. Meigs Field, in form as approved by the Comptroller of the City of Chicago (Room 501—City Hall, 121 N. LaSalle Street, Chicago, Illinois 60602) and shall remit directly to Comptroller, with itemized report of landings, copy of which shall go to the Commissioner of Aviation (Room 1111—City Hall), on or before the 15th day of the month following, payment for all such landings made during the preceding month, or portion thereof.

Landing fees shall not be assessed for any landing of a ferry flight between Chicago-O'Hare International Airport and the other City owned Airports, or for any landing of an aircraft returning to the airport from which it took off because of meteorological conditions, mechanical or operating causes, or any similar emergency of precautionary reason.

Since Chicago-O'Hare International Airport landing fee is subject to change every calendar half-year, the Commissioner shall advise Lessee of the specific fee to be in effect at Chicago-O'Hare International Airport for each such period, at least fifteen (15) days in advance of such period.

ENDORSEMENT No. 2

Indemnity

Section 8 of the Standard Terms and Conditions is hereby deleted and the following inserted in lieu thereof:

"8. *Indemnity.* Lessee shall indemnify and hold harmless Lessor and the City of Chicago from and against any and all liabilities, losses, costs, damages and expenses for deaths of or injuries to any persons whatsoever and for loss of or damage to any property whatsoever arising out of or connected with Lessee's use and occupancy of said premises, unless due to the sole fault or negligence of Lessor, its officers, agents, or employees. Lessee shall further indemnify and hold Lessor harmless from any and all claims and demands by the City of Chicago against Lessor under indemnity provisions of the basic lease described in Endorsement No. 1 hereof arising out of or connected with Lessee's use or occupancy of said premises.

ENDORSEMENT No. 3

Alterations, Additions or Improvements

Lessee acknowledges and accepts the premises in its existing condition. All installations, alterations, additions, and improvements shall be at Lessee's expense and subject to review and approval of Lessor and the Main Lessor. Upon request by Lessor or Main Lessor upon the expiration or termination hereof, Lessee shall at its sole cost and expense remove any items designated in such notice and repair any damage caused by such removal.

ENDORSEMENT No. 4

Insurance

Lessee shall, at its expense, obtain and carry at all times during this sublease policies of insurance of the type and in the minimum amounts specified below in a company or companies and under terms satisfactory to Lessor and/or City of Chicago. All of such policies shall cover as additional insureds both the Lessee, the Lessor herein (United), and the Main Lessor (City of Chicago), as their interests may appear, and all insurers thereon shall agree not to cancel or change same without at least ten (10) days' written notice to said Lessor and Main Lessor. Tribute to Late Ald. Edward J. Hines.

Honorable Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council presented the following proposed resolution:

WHEREAS, Almighty God, chose to call Alderman Edward J. Hines to his eternal reward on April 21, 1976; and

WHEREAS, Alderman Edward J. Hines, elected Alderman from the 18th Ward in 1967, 1971, and 1975, served the people of that community with dedication and distinction; and

WHEREAS, Alderman Edward J. Hines was highly respected by the citizens of his community as a man of honor and principle; and

WHEREAS, Alderman Edward J. Hines was beloved by his colleagues in the City Council and was known as a generous man, with always a kind, encouraging word for his friends and associates; and

WHEREAS, Alderman Edward J. Hines was known by his fellow Aldermen as an exceptional and gentle person, about whom nothing but good could be said, and from whom nothing but good could originate; and

WHEREAS, Alderman Edward J. Hines exemplified the role of the Alderman in the City of Chicago: he served his community with single-minded devotion; he knew his constituents; he helped solve their problems; he lived with their successes, and their failures were his as well; he provided leadership in community projects, and found in the 18th Ward a family of thousands who loved and respected his honest dedication to the principles of democracy; he was their closest link to government, and he never abused the privileges or forgot the responsibilities which accompanied his position; and

WHEREAS, Under his leadership, the Chicago Public Library constructed the Scottsdale Branch in his ward for the residents of his community; and

WHEREAS, Alderman Edward J. Hines was a devoted family man and member of his Church; now, therefore,

Be It Resolved, That the Mayor and the City Council of the City of Chicago in meeting assembled this 26th day of April, 1976, do hereby express their deep regret at the passing of their friend and colleague, Alderman Edward J. Hines, and do extend their sympathy to his widow, Elizabeth; and

On motion of Alderman Bilandic (seconded by Aldermen Frost, Burke, Gabinski, Stone, Madrzyk, Barden and Laskowski) the foregoing proposed resolution was *Adopted,* unanimously, by a rising vote.

The Aldermen all praised the late Alderman Hines for having the ability to disagree without being disagreeable. He was praised for his punctuality, as always being the first one in attendance and the last one to leave. It was also noted that he had a keen grasp of the problems in his ward as well as those of the City, noting that he had brought stability and leadership over housing problems, and was always willing to meet with community groups to discuss that or any other problem that arose, and that it was not unusual for Mrs. Hines to accompany her husband at the many meetings he attended. It was also noted that he had been a devoted husband and a deeply religious man. One of the aldermen said that he had visited "Ed" in the hospital and that his biggest worry was that he was going to miss his first Council meeting. The aldermen agreed that the life he lived spoke for itself and all extended their condolences to the family, declaring that all had lost a good friend and a dedicated public servant.

Honorable Richard J. Daley, Mayor, also addressed the Council expressing his sorrow at the loss of a good friend, one who had a quality that wasn't followed too often, namely, loyalty. The Mayor also noted that the late alderman was not a great orator nor an emotional speaker, but one who was loyal to his God, his country, church, family, and the City of Chicago.

"WHAT TREES MEAN TO ME AS AN AMERICAN".

Chop! Chop! We hear an ax,
The tree will be down in a couple of whacks.
"Timber!" We hear a cry from the lumberjack.
Then he grinned at the results of a final whack.

He called his horse to take the haul,
He took it away and that was all.
Then he chopped it up into firewood.
And the tree was dead forever and for good.

The lumberjack has a job to do,
But that's no excuse for me and you.
We kill a tree usually for no reason.
That's why I'm glad there's a planting season.

During this time there is Arbor Day.
On which we can give life in a special way.
We can do this by planting a tree,
It's no trick or secret recipe.

It isn't hard work nor much toil.
Just take a seed and place it in the soil.
Give it water for number one,
Then number two is give it sun.

If you do this with proper ration,
You soon will have germination.
Then comes the stem, followed by the buds.
Some become leaves and others are duds.

The branches and trunks are the next things you see,
Then all of a sudden you have a tree.
It makes no difference whether it's an oak or redwood,
The feeling of life is always good.

A tree brings joy for everyone
Around a tree we can have fun.
Some give fruits, and under others you lay,
Some are shady, and around others you play.

So plant a tree, it's really a friend.
It'll be around 'til the world's at its end.
Don't forget our Arbor Day,
Please give life in a special way.

Steven's essay was received with a standing ovation by the members of the City Council and the assembled guests.

Honorable Richard J. Daley, Mayor, congratulated him and wished him well. The Mayor also drew the Council's attention to the presence at the meeting of Steven's Father, Joseph Morenzoni, Marie Murphy, his Grandmother and Barbara Crotty, his Godmother, who were all warmly applauded by the Council members.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession and any and all notices and demands whatsover, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default be made in the payment of the rent, or other charges here reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Article XII

Tenant shall observe and comply with all laws, ordinance, rules and regulations of the United States Government, State of Illinois, County of Cook, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Pier, now in effect or hereafter promulgated.

155-1. It shall be unlawful for any person to show or exhibit in a public place, or in a place where the public is admitted anywhere in the city, any motion picture, whether an admission fee is charged or not, without first having secured a permit therefor from the Superintendent of Police.

It shall be unlawful for any person to lease or transfer, or otherwise put into circulation, any motion picture plates, films, rolls, or other like articles or apparatus, from which a series of pictures for public exhibition can be produced, to any exhibitor of motion pictures, for the purpose of exhibition within the city, without first having secured a permit therefor from the Superintendent of Police.

The permit herein required shall be obtained for each and every picture or series of pictures exhibited and is in addition to any license or other imposition required by law or other provision of this code.

Any person exhibiting any picture or series of pictures without a permit having been obtained therefor [shall be fined not less than Fifty Dollars ($50.00) nor more than One Hundred Dollars ($100.00) for each offense.] *upon conviction thereof shall be punished by a fine of not less than Fifty Dollars nor more than Three Hundred Dollars for the first offense and not less than One Hundred Dollars nor more than Five Hundred Dollars for the second and each subsequent offense in any 180-day period; provided, however, that all actions seeking the imposition of fines only shall be filed as quasi-criminal actions subject to the provisions of the Illinois Civil Practice Act (Ill. Repeated offenses in excess of three within any 180-day period may also be punishable as a misdemeanor by incarceration in the county jail for a term not to exceed six months under the procedure set forth in Section 1-2-1.1 of the Illinois Municipal Code (Ill. All films exhibited by accredited universities, colleges, or other education institutions, churches or museums having and for which there is scientific or educational justification for such exhibition may be exhibited by such institutions without inspection and no permits or fees shall be required therefor.

All films exhibited to an audience comprised solely of persons eighteen years of age or older may be exhibited without inspection and no permits or fees shall be required therefor.

COMMITTEE ON LOCAL INDUSTRIES, STREETS AND ALLEYS.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith (which was referred to the committee on April 7, 1976, C.J.P. p. 2799):

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to Bennett Brothers, Inc., a corporation, upon the terms and subject to the conditions of this ordinance, to maintain and use as now constructed, Subsurface Space (Vaults) under the south half of the east-west public alley and under the north forty-nine (49) feet two (2) inches of the north-south public alley in the block bounded by E. Adams Street, E. Monroe Street, S. State Street and S. Wabash Avenue. Said vault in the east-west alley shall not exceed twenty (20) feet in length, nine (9) feet in width, nor fifteen (15) feet in depth, including a vault under the ten foot diagonal turning space at the southeast corner of said alleys. Said vault in the north-south alley shall not exceed forty-nine (49) feet two (2) inches in length, six (6) feet in width, nor fifteen (15) feet in depth; for a period of five (5) years from and after July 15, 1976.

The location of said vaults shall be substantially as shown in red on print hereto attached, which by reference is made a part of this ordinance. Said vaults shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way over said vaults in good condition and repair, safe for public travel over the same and free from snow, ice and dirt, to the satisfaction of the Commissioner of Streets and Sanitation.

The grantee agrees to furnish the City of Chicago a surety bond in the sum of $20,000.00, said bond to be used to defray cost of removal of said vault at any time the City of Chicago determines the need for the removal or by lapse of time or expiration of the authority herein granted.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted the sum of Nine Hundred Forty-nine 98/100 dollars ($949.98) per annum, in advance, the first payment to be made as of July 15, 1976, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way is restored as herein required. Further renewal authority for the continued maintenance and use of the public ways herein described shall be applied for prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor, in his discretion, at any time without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation. In the event of the failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost. The Commissioner of Streets and Sanitation shall have the authority to determine the cost of the above work, and his decision as to the amount shall be final and binding.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost shall pay said amount. The decision of the Commissioner of Streets and Sanitation shall be final and binding. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to the issuance of permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $500,000.00 for Public Liability and $50,000.00 for Property Damage, and also to name the City of Chicago as "Co-insured" or "Additionally Insured". Certificates renewing insurance must be furnished to the Department of Finance, Real Estate Division, no later than 30 days prior to expiration of policy.

SECTION 5. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the City Comptroller and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and expenses which may in any way come against said city in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said city from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

SECTION 6. The grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

SECTION 7. This ordinance shall take effect and be in force from and after its passage, provided said grantee file a written acceptance of this ordinance, together with the bond hereinabove provided for, with the City Clerk.

Further renewal authority for the continued maintenance and use of the public ways herein described shall be applied for prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor, in his discretion, at any time without the consent of said grantee.
